How should I put it... You seriously don't come out well in photographs. Why do you keep turning away?
I told you I didn't want to do this.
I'll keep this one
I don't like having my picture taken.
So I gave you a peace sign
Okay, I get it. Let's try again... HEY! Why are you putting your hood up!?
No, you DON'T get it!
Listen to me! I said I don't like having my picture taken. Cut that out, you moron!
Stop that!

Jeez... What's so awful about it?
Is it that bad?

It is a little embarrassing for me to have my picture taken by myself.
Really? Hmm... I guess I can understand that.
Okay! Then you two just need to be together! Get closer, get closer!
Ehhh!?
You act purely on impulse, huh...?

I'm tired of all this... Consider how all of this makes me feel.
WHA-!?
What's with the lack of motivation!?
You two aren't smiling at all!
... Hold it, just a minute!
Ah, god, you're such a pain! Madoka!!
Make that unenthusiastic girl smile! Quickly!
Huh? H- How do I do that?
Doesn't matter! Make a strange face or something!
UEHHHH!?
You're a cutie...
That's not too weird
WHEN YOU'RE NOT BEING A PAIN.
POUT
You implying something?

You leave me no choice.

EHH!?
THERE!
TAKE A PICTURE!!
HURRY UP!!

I don't get you!!
You always have such a sour look on your face, that's no fun!
WHAT THE HELL ARE YOU DOING!?

And I have lots of them, too.
Take a look at these. You haven't been smiling at all lately.
This is what I'm talking about right here.
You're the one who forced this on me.
They're not something you look back on every day, are they?
Who really cares about taking pictures?
Besides...
If that's how you feel, then fine...
Well...
turn
Hm?

Ah!
H- Hey... this one looks a little crazy so I haven't printed it out.
Huh? What is it now...?
When you head home... you better not look back.
You better exorcise her or something, hmmm?
Have you been up to no good these past few days? I'm sure this thing is evil...
Come on, Madoka! You spoiled it too soon!
WHAT!?
It's popular at school
Don't worry, Kyouko-chan. She made that in an app.

But I suppose I'll ask... What's going on?
Um... This is practically an every day occurrence so, to be honest, I'm not too interested...
Stop it!
She went blue.
Kyouko-chan's all afraid of ghosts!
What is it now?
Umm... Ghosts? I guess
Ghosts? That's a new one.

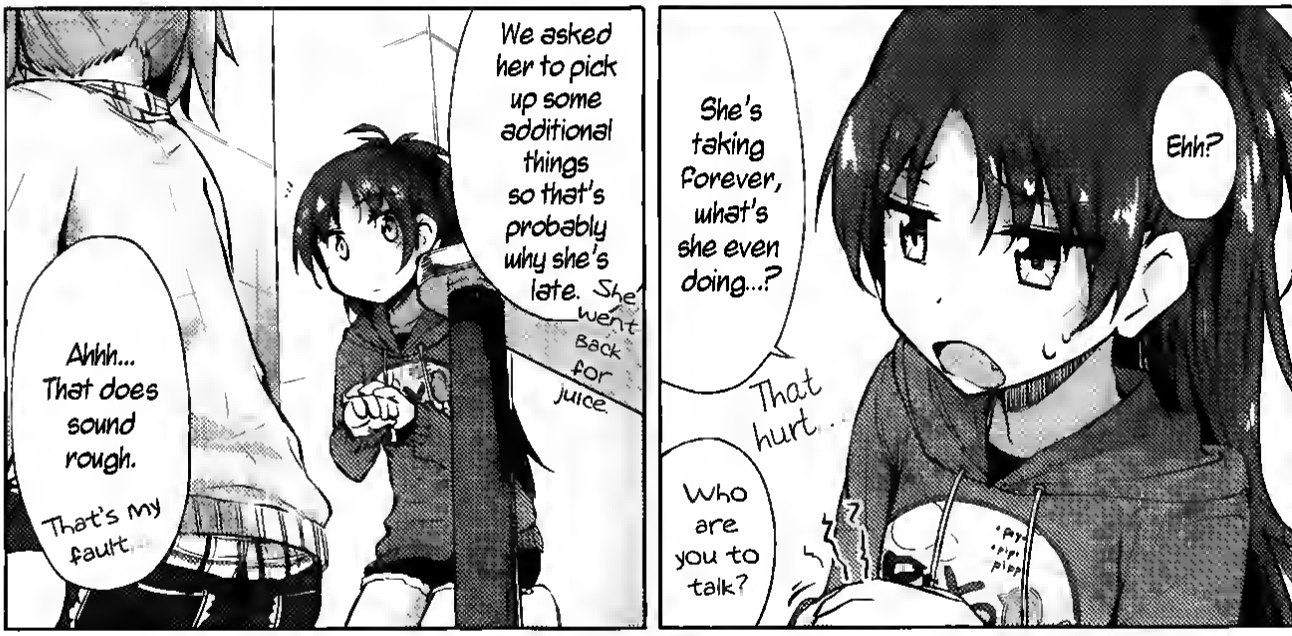
I figured it was about time for a snack. With my sense of smell.
What are you, a dog?
Anyway, I made cookies. Akemi-san isn't here yet, though...
Eh!? Seri-ously!?!?
Wow, you're easy
It's fine if you want to go on about ghosts or monsters but could you not go crazy in my home?
Okay, stop it!
ビッ
FFGAHH!?

?
Eh heh heh!
cell phone jingle
Look!
I got one with Kyouko-chan smiling!
See?
Ah, she really is...
You two...
She smiles when there's nothing special going on, huh?

Hmmm...
Well... All right...
Then...
Eh?
It's fine.
I was just thinking all would be solved if I secretly take pictures of her.
Ah, then you'll be able to get plenty of pictures of her smiling.
I'm not sure how you arrived at that conclusion,
BUT THAT'S VOYEURISM.
Stop it.

Akemi-san isn't here yet.
Nooope!
OWW!?
You better not do that



We asked her to pick up some additional things so that's probably why she's late.
She went back for juice.
Ahhh... That does sound rough.
That's my fault.
She's taking forever, what's she even doing...?
Ehh?
That hurt...
Who are you to talk?

Eh? I don't think that's true.
Homura-chan does smile.
Ah, yeah, you're right. She usually doesn't smile so I never paid much attention.
I was just thinking... All of Homura's photos are expressionless too.
Do you have any with her smiling?
Hey...

That's a good idea.
Let's trail them when they meet up next.
Yeah... I wonder what that looks like? Is she cute?
Sure, it's no big deal For her to smile at you, Madoka.
s-bare...
!?

I can write on it and use stamps.

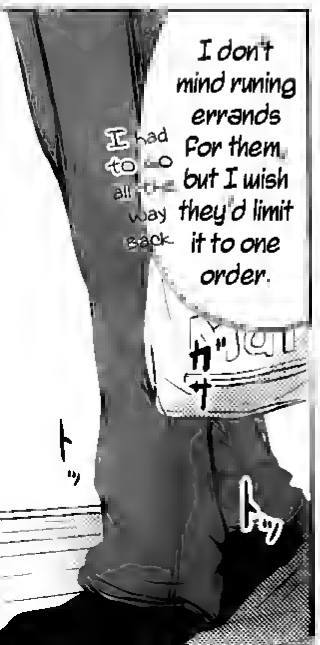
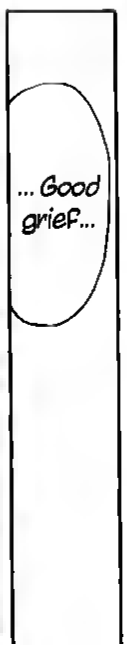
Hmmm... I don't want to use a template...

Hey, want to edit this one like I did with yours?
Hm? How? Are you going to put another ghost in it?

King Homura! The brave
Pff!



I had to go all the way back
I don't mind runing errands For them, but I wish they'd limit it to one order.



... Good grief...

Don't worry. We had absolutely no involvement in this.
Mami-san...
Write on yours! I can print these out later.
Hey! Let me try it!
Nose hair!
He he he!
Sent ousy!?!?
Ku ku ku!

I bought what you asked for.
Next time, figure out everything you want first so—
